

# Seminar on Agriculture and Food Processing in Bavaria - Germany

## 9th – 16th May 2023

### Seminar Information

The Free State of Bavaria (=Bayern) is a place of innovation, where top standard technologies are engineered and produced.

bbw International, a training institution of the Bavarian Business Associations, is responsible for preparing and carrying out delegation visits on behalf of the Bavarian Ministry of Economic Affairs, Regional Development and Energy. The visits will take place on farms, in companies and institutions of the food and agri sector such as producers, importers, manufacturers, processors, suppliers etc.

A group of up to 18 entrepreneurs and experts is welcomed by bbw staff and guided through the programme, accompanied by an interpreter. Participants should have a keen interest in getting in touch with Bavarian partners and cultivating new cooperation possibilities after the trip. This technical seminar is funded with support from the Bavarian Ministry of Economic Affairs, Regional Development and Energy.

**Application deadline: March 22nd, 2023**
